

Celebrate 100 years of Linthicum and become part of history by honoring those who served in the Armed Forces of the United States of America. A memorial to Veterans from all branches of the Armed Forces will be erected on land at the corner of Camp Meade and Maple Roads. The memorial will face the corner of the intersection.

The Veteran's Memorial will consist of a curved brick wall with emblems from each branch of the Armed Forces. In front of the brick memorial will be a circular design of brick pavers. These pavers will be engraved with the name, rank and service branch of those who served.

Each of you may participate in this memorial by honoring your friends and family with a memorial brick. Honorees do not have to be Linthicum residents. Don't miss this great opportunity to be part of a permanent display to those who served our country.

Land for the Memorial has been donated by the C. Milton Linthicum Family.

Design services donated by Peter Notari of Notari Associates, Baltimore, Md.
